

Work Hour Record

Information and Instructions:

1. Use this form to document completed Range Improvement Work Hours.
 2. FSC Bylaw Section 4.3.1.5 and FSC Procedures establish that a Non-Voting Member must complete Range Improvement Work Hours as a prerequisite to becoming a Voting Member. Additionally, Voting and Non-Voting members may earn a reduction in the annual membership dues by completing Range Improvement Work Hours. A total of 10 hours of work is required, except that members of at least 60 years of age must complete 5 hours of work.
 3. All Range Improvement Work must be approved by the FSC Operations Manager in advance.
 4. Members may suggest work to be performed, or the FSC Operations Manager will provide options of available work needs.
- Present this completed form to the FSC Operations Manager upon completion of all required work hours.
